The Head Teacher and Group Leader

Dear Colleagues,

I am pleased to enclose the documentation for your forthcoming residential experience at Lineham Farm. We offer residential experiences for up to 32 children and 4 staff. Extra numbers can be accommodated in prior discussion with the Lead Activity Worker.

We have beds to accommodate 42 children + 6 staff but this can be stretched to a maximum of 46 children + 7 staff with camp beds.

Unfortunately, we are no longer able to facilitate pre-school visits for children and parents and instead offer online presentations.

We plan our activities on the basis of a staff to pupil ratio of no more than 1:8. If you are bringing more than 32 children, it is crucial that we know this well in advance (minimum 8 weeks) so that we can arrange extra centre staff.

If you have any points you would like to discuss at this stage please ring me on 0113 378 3945 or email linehamenquiries@leeds.gov.uk during normal office hours.

Yours sincerely

T. Glendon
